

We are excited to welcome our members and friends back to our in-person Fall Fraud Conference. We have reserved a room in the Club that is much larger than needed which will allow for comfortable social distancing. Attendees will be required to adhere to the Harvard Club Covid Protocols and Dress Code. Details are provided below:

Harvard Club Covid Protocols:

Updates: Mayor Bill de Blasio's Executive Order for the Key to NYC initiative went into effect August 17th for certain indoor activities. People 12 and older are required to show proof they have received at least one dose of a COVID-19 vaccine authorized for emergency use by the FDA or WHO.

Proof of vaccination (at least one dose) is required for everyone entering the Clubhouse.

Proof of vaccination may include:

- NYC COVID Safe App: Android | iOS
- Excelsior Pass
- CDC Vaccination Card (or photo)
- NYC Vaccination Record
- An official immunization record from outside NYC or the U.S

If you received the vaccine outside the U.S., you must have an official immunization record that includes:

- First name and last name
- Date of birth
- Vaccine product name (only vaccines authorized by the WHO are acceptable)
- Date(s) administered
- Site where the vaccine was administered, or name of the person who administered it

Additionally, based on the CDC's current guidelines, and to maximize protection from the Delta variant, we highly recommend mask wearing for everyone in the Clubhouse.

Harvard Club Dress code:

Appropriate dress is required throughout the Club for Members and their guests.
